**The New Orleans Musicians  
Assistance Foundation (NOMAF)  
and Clinic (NOMC)**

## **New Orleans Musicians Clinic on World Vision Radio!**

Greetings!

NOMC received international attention in a recent World Vision radio report for its program at St. Anna's Episcopal Church in historic Treme, home of Jazz. Wednesday Nights at St. Anna's are a popular hang out for musicians, where attendees can attend a gospel mass, have a delicious free meal, hear great music and receive basic medical care and acupuncture.

**[WORLD VISION REPORT ON NOMC!](#)**

Thank you so much for your continued attention and support in KEEPIN' the MUSIC ALIVE!

*Sincerely,*

Bethany Bultman
