

Did you know?

- Louisiana has 1 of the **3** highest cancer death rates in the USA (according to the American Cancer Society).
- African Americans have **2X** the mortality rate compared to their non-African American counterparts.
- Uninsured patients have **3X** the mortality rate compared to their insured counterparts.
- **Please get screened today to improve these outcomes!**

Get Your Free Cancer Screening!

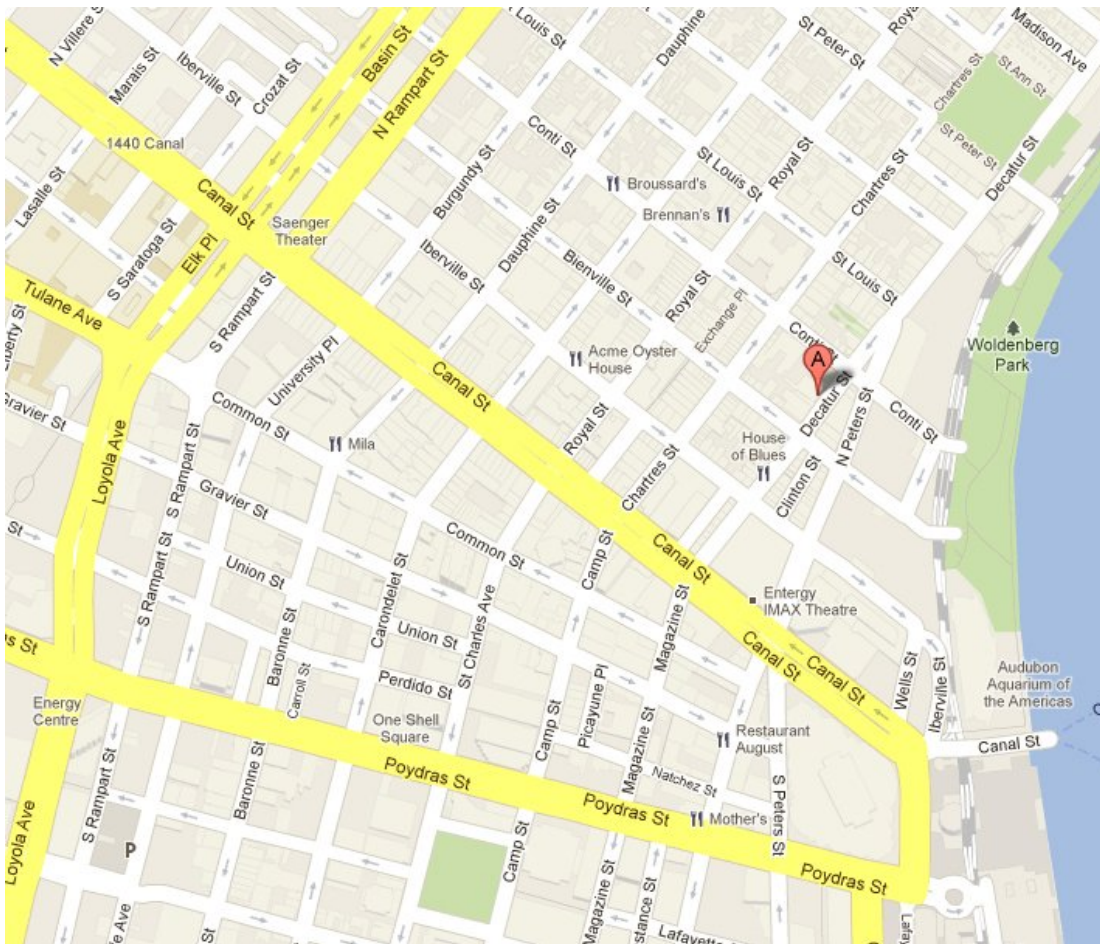

- Screenings are non-invasive.
- Tulane doctors or interns will perform the screenings.

- They will first ask you a few questions to determine your risk level.
- They will look inside your mouth, feel your gums and cheeks, feel your neck for any lumps.
