Roscoe Is Back!

Greetings!

Roscoe is 100% cancer free and recovering from the chemo and radiation. Your kind words have meant so much to him. He plans to be back on tour with Dr. John in September.

Here is a photo I took of Herman today signing posters which will be sold in Seattle in August as a benefit to assist us with his medical bills. There is also a Seattle benefit concert with Dr. John in the works in Seattle. Please forward this email to any of your friends in Seattle so they can help out.

Thanks so much from Herman and Joyce Ernest and all of us at the NOMC&AF.

Signed Sealed Delivered

Sincerely,

Bethany Bultman
