

# **NEW ORLEANS MUSICIANS' CLINIC**

Greetings!

It is the long hot summah in New Orleans, we may be having tropical storm Bonnie paying us a visit this weekend and yet the music is alive in New Orleans thanks to your support. The fame of the New Orleans musicians clinic continues to spread:

Diane (Magnolia Mafia) Ireland with Tony (Sopranos) Sirico who have an offer you can't refuse: SAVE THE CLINIC or else!!!

The New Orleans Musicians Clinic (NOMC) and Assistance Foundation (NOMAF) has been featured on AOL News this week in an article titled: [New Orleans Clinic Battles to Keep City's Arts Healthy](#).

Katie Drummond, an AOL Contributor, speaks of Paul Pattan's health struggles and the NOMC's need for support. And also mentions the upcoming "Get You a Healin'" Special Anniversary Re-Release digital only CD which we're revealing here first. So stay tuned to more press & upcoming music benefits to Keep the Music Alive!
