

NEW ORLEANS MUSICIANS' CLINIC SAVES LIVES!

We keep New Orleans' music **ALIVE** by providing affordable comprehensive and occupational health and social services to more than 2,400 New Orleans' Musicians, Social Aid & Pleasure Club Members, Mardi Gras Indians, Dancers, Choir Members, DJs, Music Photographers and Writers, Music Club Staff and members of their households over the age of 19.

The future of Medical Care and Advocacy for New Orleans' Musicians and Tradition Bearers is in **YOUR** hands!

HELP NOMC&AF RAISE AWARENESS TO PREVENT DEATH BY LIFESTYLE

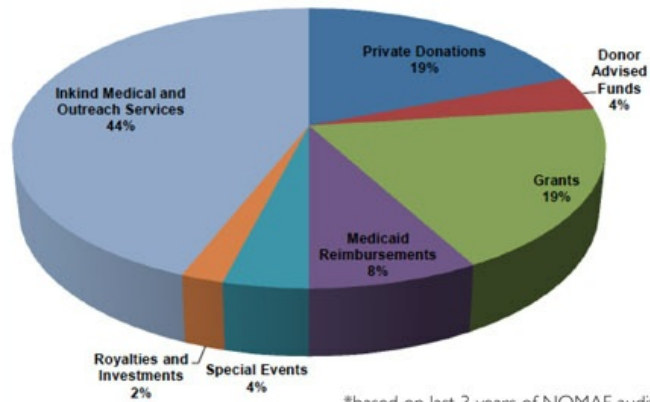

- ♪ The average age of an NOMC patient is **48 years**
 - ♪ **87% of NOMC patients** are currently under treatment for one or more chronic conditions.
 - ♪ While the average life expectancy in the USA is 78.2 years, the average life expectancy for an African-American male living in New Orleans (The NOMC's Primary demographic) is just 68 years.
- At **the NOMC** we strive to ensure that our patients perform and thrive into their 80s and beyond! Our oldest patient is 101 and still plays a weekly gig.
- ♪ As we enter our 15th year of operation, more New Orleans Musicians and Tradition Bearers depend on **the NOMC** for both occupational and comprehensive medical care.
