

LOUISIANA MEDICAID EXPANSION

ARE YOU IN THAT NUMBER?

The Musicians' Clinic is encouraging all performers and service industry workers whose incomes have been affected by the Corona Virus pandemic to determine whether or not you qualify for health coverage under Medicaid. If your current earnings have been affected by gig cancellation, furlough or other limitations, you may qualify.

PLEASE
RENEW YOUR
COVERAGE
ANNUALLY!

Apply for coverage today. Medicaid eligibility is income based, and relies on current information - not prior year's earnings. If you receive care at the Musicians' Clinic, please indicate LSU/Catherine Lasperches as your medical home when choosing a health plan.
